All commissioned officers of the Marine Corps, when not above the rank of captain, or below that of lieutenant, are entitled to an allowance of \$10 per month for the care and responsibility of marine clothing, when commanding the marines on board of ships-of-the-line or frigates in commission, and at naval stations.

NOTE No. 3.—Where there are no public quarters furnished, a commutation is allowed. Officers on shore duty are allowed a commutation for fuel.

NOTE.—The sea and other service affixed to the names of officers in the Register, is computed to the 1st January, 1855. As a general rule, the "sea service," with which an officer is credited, is for duty performed under orders from the Department, as part of the complement of a vessel-of-war, belonging to the Navy, in commission for sea service. Officers on the Coast Survey are allowed sea service only for the time they are actually afloat. No credit is given for service in Revenue and Merchant vessels. In the column "unemployed," is included the time between date of warrant and date of first order from the Department for service.

 The attention of officers is particularly called to the Orders and Regulations published in the latter part of the Register.

If any assistant surgeon shall have been absent from the United States on duty, at the time others of his date were examined, he shall, if not rejected at a subsequent examination, be entitled to the same rank with them; and if, from any cause, his relative rank cannot be assigned to him, he will retain his original position on the register.

One ration per day only shall be allowed to all officers when attached to vessels for sea service.

SEC. 2. *And be it further enacted*, That no allowance shall hereafter be made to any officer in the naval service of the United States, for drawing bills, for receiving or disbursing money, or transacting any business for the government of the United States, nor shall he be allowed servants, or pay for servants, or clothing or rations for them, or pay for the same; nor shall any allowance be made to him for rent of quarters, or to pay rent for the furniture, or for lights or fuel, or transporting baggage. It is hereby declared, that the yearly allowance provided in this act is all the pay, compensation, and allowance that shall be received, under any circumstances whatever, by any such officer or person, except for travelling expenses, when under orders, for which ten cents per mile shall be allowed.

*Approved March 3, 1835.*

[PUBLIC, No. 67.]
